***Join the conversation: for a good economy  
where all flourish***

CIGB is a growing Church-based Charity of Chaplains in workplaces across Birmingham and Solihull.

FRIENDS OF CIGB are their supporters:

- we inform them on issues of work, faith and local economy
- we meet the Chaplains
- we share their news
- we make a donation to their work

The workplace can be a tough place; major shifts in the shape of the economy concern us all.

We would like CIGB to encourage more Good Work. Their Chaplaincies are popular.
